---

This matter was opened to the State Board of Dentistry ("Board") by way of Complaint filed June 30, 1988, by Cary Edwards, Attorney General of New Jersey, by Kathy Rohr, Deputy Attorney General, alleging that respondent's rendering of treatment to a patient was performed by practices which were repeatedly and/or grossly negligent and at variance from acceptable dental standards in violation of N.J.S.A. 45:1-21(c) and (d); that respondent's failure to respond to the repeated requests of the Board for patient records in response to a patient complaint and his further failure to respond to a lawful subpoena of said records constituted professional misconduct pursuant to N.J.S.A. 45:1-21(e); and that respondent failed to renew his current certificate of registration to practice dentistry since 1981 in violation of N.J.S.A. 45:6-10.

On or about July 21, 1988, respondent entered a denial to all of the charges of the Complaint.

It now appears that the parties wish to resolve and settle this matter on a consensual basis without a hearing and that good cause exists for the entry of this Order.

THEREFORE, IT IS ON THIS 17<sup>th</sup> DAY OF October, 1988,  
ORDERED AND AGREED;

1. Respondent shall be assessed a civil penalty in the amount of Two Thousand Five Hundred (\$2,500) Dollars to be paid to the State of New Jersey. Payment shall be made by certified check or money order payable to the State of New Jersey and shall be submitted to William Gutman, Executive Director, State Board of Dentistry, 1100 Raymond Boulevard, Room 321, Newark, New Jersey 07102, within thirty (30) days of the entry date of this Order.

2. Respondent shall forward to the State Board of Dentistry at the above address a check for restitution payable to Nicholas Russo in the amount of Eight Hundred (\$800.00) Dollars within thirty (30) days of the entry date of this Order.

3. Respondent shall pay to the Board of Dentistry all prior renewal fees and late fees as required in order to make current his active registration to practice dentistry in the State of New Jersey.

4. Respondent is hereby reprimanded for failing to respond to the repeated requests of the Board for patient records and is cautioned that more serious penalties will be

imposed in the event subsequent complaints of a similar nature are filed against him.

5. Respondent shall provide to the Board of Dentistry a statement from his treating physician indicating that his medical condition and any medications which he is required to take have no negative impact on his ability to practice dentistry.
